### Sarah's Tip of the Month

By Sarah Sundman

With the weather warming up you will probably find yourself wanting to be outside more. If your looking for a new table but aren't looking to spend a ton don't hesitate to stop at some of the neighborhood yard sales. If you decide to upgrade it, purchase a piece of slate or granite and have it placed on top. This gives an old table a dose of class and sophistication without breaking the bank.

You can almost always find treasures in peoples trash.

painting projects and shopping excursions.....
